**Re: Right-to-Know Request Regarding Enforcement of Criminal Defamation Statute
(RSA 644:11)**

Dear Attorney Keating:

This is a Right-to-Know request to the Administrative Office of the Courts pursuant to Part I, Article 8 of the New Hampshire Constitution by the American Civil Liberties Union of New Hampshire (“ACLU-NH”). The ACLU-NH defends and promotes the fundamental principles embodied in the Bill of Rights and the U.S. and New Hampshire Constitutions. In furtherance of that mission, the ACLU-NH regularly conducts research into government activities in New Hampshire. We ask that your Office waive all fees associated with responding to this request. Please contact me to discuss the fee waiver in advance of preparing any copies.

Below is the specific request:

1. A document sufficient to identify all prosecutions for criminal defamation under RSA 644:11 available on the court system’s database. This request seeks only documents sufficient to identify (i) the defendant’s identity, (ii) the case number, and (iii) the case’s location and disposition if available.

Thank you for your anticipated cooperation. I look forward to hearing from you as soon as possible. Of course, if you have any questions or concerns, do not hesitate to contact me.

Very truly yours,

Gilles Bissonnette

Dear Gilles:

This message is in response to your June 12th request for criminal data pertaining to the criminal defamation statute. Attached please find 2 reports: the first lists charges filed and the second lists charges disposed. The information comes from two different reports, so they contain different types of detail. Explanatory notes have been provided below. We hope this is helpful.

Filing (Offense Code Report) notes:

This is a count of charges filed 1/1/2009-12/31/2017, which fell under **RSA 644:11**.

Charges may be amended throughout the criminal process. The offense counted is the offense reported as of 7/3/18.

This does not include annulled charges.

Multiple charges may be filed in one case.

This includes data from the Superior Court and Circuit Court-District Division. It does not include Juvenile Delinquency data.

Disposition (Criminal Disposition Type report) notes:

This includes charges disposed 1/1/2009–12/31/2017, which fell under **RSA 644:11**. It does not represent charges *filed* in that date range, some of which may not yet be disposed.

Dispositions and charges may be amended throughout the criminal process. The disposition and offense counted are those that were reported as of 7/3/18.

Some convictions may have been appealed.

This includes data from the Superior Court and Circuit Court-District Division. It does not include Juvenile Delinquency data.

This does not include annulled charges.

Some charges could be represented twice, if they were disposed both in District (as boundover/indicted), then again in Superior (as acquittal/conviction/etc.), in the same date range.

The "Indicted" disposition is used to close a matter in the District Division when the charge is transferred to Superior Court prior to the probable cause hearing in the District Division. This number does not represent the total number of charges indicted.
